

bio:  
david matheson

profile:  
david matheson is a professional freelance photographer with more than ten years experience in travel, food, interiors and lifestyle photography. he specializes in the capture and production of images for the advertising, publishing and editorial sectors of the print industry. david services both australian and international clients and has become a market leader in travel & tourism, magazine editorial and book publishing photography, with images characterised by a skilful use of natural and artificial light and a loose, atmospheric lifestyle signature.
